WORCESTER STATE FOUNDATION 31ST ANNUAL GOLF TOURNAMENT
Presenting Sponsor: Gene J. DeFeudis | June 3, 2024
to benefit Worcester State University student scholarships

"Your investment in my education will have a lasting impact on my future and contribute to my success." --Ajoy T. '24, scholarship recipient

The Worcester State Foundation's scholarship program has grown dramatically since its establishment in 1998 beginning with 15 scholarships. Now, with a powerful legacy of giving, the foundation currently provides close to 400 donor-funded awards each year.

Data shows that a student's persistence to graduation increases by over 30% if they receive just one scholarship.

PLAY FOR FUN. PLAY FOR THE FUTURE.

The Worcester State Foundation plays a vital role in empowering the university to provide a high-quality education that prepares students for success. Through player and sponsor support of the Foundation Golf Tournament, each annual contest raises tens of thousands of dollars. **100% of these proceeds benefit student scholarships and educational programming at Worcester State University.**
